Bellotti Ezio

PROFILE

Con le proposte “Platinum Collection Vol. III” Bellotti Ezio apre nuovi orizzonti creativi per approdare allo sviluppo di proposte d’arredo legate al concetto del lusso. I diversi ambienti della casa sono concepiti come interpretazioni di habitat quotidiani da personalizzare con diversi lifestyle esclusivi, così come sono esclusive le lavorazioni che rendono uniche le proposte, perché figlie di quell’arte antica che è la falegnameria di alto livello. Ricerca storica ed innovazione, tutto rigorosamente Made in Italy, si esprimono nelle collezioni Bellotti Ezio, un’azienda che vanta ben cinquant’anni di partecipazioni ininterrotte al Salone del Mobile di Milano.

With the “Platinum Collection Vol. III”, Bellotti Ezio opens up new creative horizons, leading to the creation of furnishings that are tightly connected to pure luxury. The various interiors of the abode are conceived as interpretations of a daily habitat to be customised with different exclusive lifestyles – just as exclusive as the craftsmanship that makes these proposals truly unique, because they are the result of that bygone art of high artisan woodworking. Historical research and innovation – all Made in Italy – are truly expressed in the Bellotti Ezio Collections, a company that has proudly participated in fifty straight years of the world famous Milan Furniture Fair.

Созданная компанией Bellotti Ezio коллекция “Platinum Collection Vol. III” открывает новые горизонты креативного дизайна, нашедшего свое выражение в предметах интерьера, связанных с концепцией роскоши. Каждое помещение рассматривается как интерпретация жилых зон дома, созданных с учетом индивидуальных потребностей эксклюзивного образа жизни. Поэтому и использована эксклюзивная техника изготовления, перенятая от древних искусных мастеров деревообработки, благодаря которой каждое изделие становится уникальным и неповторимым. Изыскания в области традиционной техники работы в сочетании с инновациями – все исключительно Made in Italy – нашли свое воплощение в коллекциях Bellotti Ezio – компании, являющейся постоянным участником Миланской мебельной выставки Salone del Mobile вот уже 50 лет.
